Please find below and/or attached an Office communication concerning this application or proceeding.

The time period for reply, if any, is set in the attached communication.

Notice of the Office communication was sent electronically on above-indicated "Notification Date" to the following e-mail address(es):

Notice of Non-Responsive Amendment

The reply filed on 3/2/09 is not fully responsive to the prior Office Action because: Applicants **elected the specific encoded polypeptide consisting of residues 1-185 of SEQ ID NO:1 which is not among the restricted species set forth in the Office action mailed on 10/2/08.** Moreover, SEQ ID NO:1 is distinct from SEQ ID NO:2 (the elected species) because SEQ ID NO:1 is the mature ApoE2 amino acid sequence while SEQ ID NO:2 is the mature ApoE3 amino acid sequence.

Since the period for reply set forth in the prior Office action has expired, this application will become abandoned unless applicant corrects the deficiency and obtains an extension of time under 37 CFR 1.136(a).

The date on which the petition under 37 CFR 1.136(a) and the appropriate extension fee have been filed is the date for purposes of determining the period of extension and the corresponding amount of the fee. In no case may an applicant reply outside the SIX (6) MONTH statutory period or obtain an extension for more than FIVE (5) MONTHS beyond the date for reply set forth in an Office action. A fully responsive reply must be timely filed to avoid abandonment of this application.
